

## Brainstorming & Idea Prioritization Template

|                      |                                 |
|----------------------|---------------------------------|
| <b>Date</b>          | 25 June 2026                    |
| <b>Team ID</b>       | XXXXXX                          |
| <b>Project Name</b>  | Credit Card Approval Prediction |
| <b>Maximum Marks</b> | 3 Marks                         |

### Step 1: Brainstorm and Idea Listing

Each team member lists out as many ideas as possible without judging them at this stage.

| S.No | Team Member          | Idea / Suggestion                      | Category             | Group No. |
|------|----------------------|----------------------------------------|----------------------|-----------|
| 1    | Chevvakula Sireesha  | Credit Card Approval Prediction System | Machine Learning     | 1         |
| 2    | Palli Mani Kumar     | Loan Eligibility Prediction            | Financial Analytics  | 2         |
| 3    | V.V.Siva Jyothi      | Credit Risk Assessment                 | Predictive Analytics | 1         |
| 4    | Mamidi Nikitha       | Insurance Claim Prediction             | Machine Learning     | 3         |
| 5    | Padala Venkata Satya | Bank Customer Churn Prediction         | Data Analytics       | 1         |

### Step 2: Idea Prioritization

Rate each grouped idea on feasibility and importance, then select the final idea(s) to move forward with.

| Group No. | Final Idea                               | Feasibility | Importance | Priority Selected | Group No. |
|-----------|------------------------------------------|-------------|------------|-------------------|-----------|
| 1         | Credit Card Approval & Prediction System | High        | High       | Yes               | 1         |
| 2         | Loan Eligibility Prediction              | Medium      | High       | No                | 2         |
| 3         | Insurance Claim Prediction               | Medium      | Medium     | No                | 3         |
